Description :

PDF-fdcbb | Alliteration Alphabet: A fun way to teach preliteracy skills to kids! was developed by two educators who needed to supplement the curriculums they were using in their early intervention, preschool/preschool disabled and autistic support classrooms. Alliteration Alphabet focuses the child's attention, not only to the letters and their sounds, but also to the beginning of the words. It teaches them ... *Alliteration Alphabet: A fun way to teach preliteracy skills to kids!*
