Description :

PDF-faa58 | Phonics is a way of teaching children to read and write by using the sounds (phonemes) that we put together to form words. Ideal for practicing phonics with young children aged 3+, these laminated cards introduce 44 basic phonemes along with carefully selected examples. Each card has a phoneme on one side and a simple word and picture on the other side. Fun and easy to use with individuals or a cl... *Phonics - Flash Cards: 44 sounds and key words, with learning tips*
